ABOUT ME

My name is Emily and I am the owner and artist behind NorthHouse Creative Co.

I have a 10+ year background in the luxury wedding industry that has granted me incredible opportunities to stretch my design fingers. I've spent countless hours researching design trends, creating brands for our couples, learning new calligraphy styles, and so much more.

Hoping for a career that would keep me closer to home and provide a more flexible schedule, I started my creative little business in 2019.

I specialize in graphic design, calligraphy, and watercolor paintings. On the following pages you will find my catalog of wholesale items currently offered.

I look forward to calling your stores a home for my products!

Emily
